

ANIMAL-CENTRIC LIGHTING SYSTEMS

TPS-16, TULEX End Cap

Invest in the quality of your lighting system

Protect the end of your TULEX light fixture from corrosion and physical damage with the TPS-16 end cap.

There are several factors when shopping for the best lighting systems that ensure success when raising animals commercially, including animal well-being and performance, uniform light distribution, total dimmability, high efficiency, energy savings, maximum durability and lifespan of the products. The TPS-16 end cap is compatible with any TULEX fixture, which offers these features and more.
